Subject:- Sale of collection of Colin E. King.

Dear Sir:-

Catalogue of the King sale to be held on the 5th and 6th of April received this A.M. for which I am very much obliged.

I will try to make it convenient to attend the sale,. As I am not able to form an expensive collection and have confined myself to collecting the large copper cents only, I have a collection of all the cents, but not in as good condition as I would like them to be.

As I am inexperienced in purchasing coins at auction [which no doubt is the cheapest plan] I am unable to decide what to bid on the coins I would like to have.

I enclose herewith a list of what I want [listed in catalogue of this sale] with catalogue number and would respectfully ask if it is not too much trouble to you, will you kindly insert after each piece what you consider a fair bid for them and return list to me.

If these quotations meet with my approval I will promptly return regular list filled out.

Hoping to hear from you soon, I am,

Yours respectfully,

James E. Longfellow
